slavery movement

in one volume there are seven slave narratives compelling harrowing at times and beautiful stories of hope in the midst of deep adversity 1 narrative of the life of frederick douglass an american slave frederick douglass s eloquently written first autobiography was one of the most persuasive forces for emancipation as well as for the enlistment of black soldiers in the union army it is written beautifully and the story flies past a dazzling and awful account of slavery 2 my bondage and my freedom this is frederick douglass s second autobiography written ten years after his emancipation and is unparalleled in its scope of the destructive effects of slavery on both individuals and communities the power of this book is that it delves into the minds of rational good people who were slave owners and discusses the economic conditions that sanctioned slavery s continued existence 3 twelve years a slave this narrative was written by solomon northrup a freeman kidnapped from the north and taken to a work on a plantation in louisiana where he lived for 12 years until he was rescued violence sadness grief and the treatment of human beings as lower than animals are the themes that run through this famous autobiography 4 the interesting narrative of the life of olaudah equiano or gustavus vassa the african olaudah equiano s interesting story provides an insight into a time and situation that few people survived to record or recall and those that did survive were rarely literate for this reason and so many others equiano or gustavus vassa as he was later christened has a unique story to tell it is an honest and chilling account of a man born free in africa and sold into slavery who spends most of life on the high seas until he finally acquires freedom he relates the experiences of black people in its myriad forms on three continents 5 incidents in the life of a slave girl seven years concealed in the pre civil war period of 1861 harriet jacobs was the only black woman in the united states to have authored her own slave narrative in a call to arouse the women of the north to a realizing sense of the condition of two millions of women at the south to convince the people of the free states what slavery really is jacobs hoped that should the white women of the north know the true conditions of the slave women of the south they would not fail to answer the call to moral action with the help of a northern abolitionist jacobs published this astounding poignant record under the pseudonym linda brent 6 up from slavery an autobiography booker t washington writes his story modestly but his greatness shines through he spent his early childhood as a slave on a plantation in the south but after the emancipation proclamation was read from the porch steps of the big house his ambitions to gain an education and make something of himself propelled him through every obstacle to his goal booker t washington was a tireless promoter of education for his race and founded a school for blacks in alabama he made great strides in elevating the sights and prospects of his people 7 running a thousand miles for freedom this is a great story of a married couple who were slaves and escaped to freedom in a unique way it is a horrifying account of the evil of slavery and the hope of freedom and human rights a compelling read

frederick douglass born frederick augustus washington bailey february 1818 february 20 1895 was an african american social reformer abolitionist orator writer and statesman after escaping from slavery in maryland he became a national leader of the abolitionist movement in massachusetts and new york gaining note for his dazzling oratory and incisive antislavery writings in his time he was described by abolitionists as a living counter example to slaveholders arguments that slaves lacked the intellectual capacity to function as independent american citizens northerners at the time found it hard to believe that such a great orator had once been a slave

four of the most important and enduring american slave narratives together in one volume until slavery was abolished in 1865 millions of men women and children toiled under a system that stripped them of their freedom and their humanity much has been written about this shameful era of american history but few books speak with as much power as the narratives written by those who experienced slavery firsthand the basis for the film of the same name twelve years a slave is solomon northup s heartrending chronicle of injustice and brutality northup was born and raised a freeman in new york state until he was kidnapped and sold into slavery in the deep south before returning to his family and freedom he suffered smallpox the overseer s lash and an attempted lynching perhaps the most famous of all slave chronicles narrative of the life of frederick douglass immediately struck a chord with readers when it was first released in 1855 after escaping to freedom douglass became a well known orator and abolitionist drawing on his own experiences to condemn the evils of slavery one of the few female slave narratives incidents in the life of a slave girl was originally published under a pseudonym by harriet jacobs after she escaped to freedom in north carolina where she became an abolitionist jacobs described the particular suffering of female slaves including sexual harassment and abuse published in 1850 the narrative of sojourner truth is truth s landmark memoir of her life as a slave in upstate new york and her transformation into a pioneer for racial equality and women s rights these narratives serve as a timeless testament to the strength and bravery and as a voice to the millions of people enslaved in this dark period of american history this ebook has been professionally proofread to ensure accuracy and readability on all devices
