this introduction to christian theology explores the whole christian tradition in a simple and straightforward way leading wesleyan theologian don thorsen surveys the theological views represented within historic christianity and discusses the variety of positions held without favoring one over another the book includes helpful end of chapter questions for further reflection and discussion a convenient glossary of theological terms and sidebars the second edition is marked by a thorough updating of the text and the addition of two new chapters on apologetics and the future of the unevangelized

first published in 1966 principles of christian theology is recognized as a classic in its presentation of the major themes of christian thought in contemporary terms this edition now includes new or additional material on topics such as the individual and society truth demons atonement the holy spirit the papacy and collegiality as noted theologian robert mcafee brown has said of professor macquarrie possibly no one has a greater ability to summarize and describe varying points of view with such scrupulous fairness and clarity and yet maintain a distinctive position of his own

this splendid introductory textbook for christian theology presents two essays by leading scholars on each of the major theological questions william placher provides an excellent discussion of the history and current state of each doctrine while the essays explore the key elements and contemporary issues relating to these important theological concepts

regarded as the leading text in christian theology for the last 25 years alister e mcgrath s the christian theology reader is now available in a new 5th edition featuring completely revised and updated content brings together more than 350 readings from over 200 sources that chart 2 000 years of christian history situates each reading within the appropriate historical and theological context with its own introduction commentary and study questions includes new readings on world christianity and feminist liberation and postcolonial theologies as well as more selections by female theologians and theologians from the developing world contains additional pedagogical features such as new discussion questions and case studies and a robust website with new videos by the author to aid student learning designed to function as a stand alone volume or as a companion to christian theology an introduction 6th edition for a complete overview of the subject

alister mcgrath s christian theology an introduction is one of the most internationally acclaimed and popular christian theology textbooks in use today this 5th edition has been completely revised and now features new and extended material numerous additional illustrations and companion resources ensuring it retains its reputation as the ideal introduction to christian theology fully updated 5th edition of the bestselling textbook incorporating expanded material numerous student features and new illustrations features new sections on copernicanism and darwinism includes extended discussions of augustine s doctrine of creation trinitarian theologies of religion and the relation of christianity to other faiths may be used as a stand alone volume or alongside the christian theology reader 4th edition for a complete overview of the subject retains the chapter structure of the 4th edition ensuring comparability with earlier editions and courses based on these accompanied by a revised instructor s website featuring expanded resources including study questions and answers visit [wiley.com/go/mcgrath](http://wiley.com/go/mcgrath) for more details and to register for access

far from being solely an academic enterprise the practice of theology can pique the interest of anyone who wonders about the meaning of life inviting readers on a journey of faith seeking understanding this introduction to christian theology its basic concepts confessional content and history emphasizes the relevance of the key convictions of christian faith to the challenges of today s world in the first part this book introduces the project of christian theology and sketches the critical context that confronts christian thought and practice today in a second part it offers a survey of the key doctrinal themes of christian theology including revelation the triune god and the world as creation identifying their biblical basis and the highlights of their historical development before giving a systematic evaluation of each theme the third part provides an overview of christian theology from the early church to the present

a journey in christian theology through biblical historical and thematic perspectives with special attention to the context of today s world

this book helps beginning theological students grasp the basics of christian theology consciously avoiding the perspective of one school of thought or confessional tradition the authors provide the reader with a brief broad overview of the questions and contents of theological study their accessible use of language clear organization and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time in the words of its authors this book offers an introduction to the fuller spectrum of christian theology as it has developed through the centuries few writers address the historical development of the classic doctrines and the contemporary resonance as adroitly as gonzalez and perez the chapter on jesus christ for example presents concise summaries of the treatments of christ s person leading up to chalcedon while suggesting a need for a multiplicity of images in understanding the work of christ that liberates the whole person and restores all creation beginning students as a result are invited into a living theological conversation where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation broadly ecumenical in tenor with reference to theologians from nearly every century the work should appeal to both a popular readership and introductory students in college and seminary one disappointing aspect of the book is an absence of latino a feminist and liberation perspectives for a work that argues for the contextuality of all theology and from authors whose previous work has been monumental in hispanic theological education this lack is surprising david h jensen austin presbyterian theological seminary in religious studies review volume 29 number 3 july 2003

foundational theology made accessible and practical offers concise and neutral explanations of the essentials of christian

theology for students lay people and pastors goes beyond merely explaining the what of theological teachings to the why of how they impact everyday life combines three volumes into one convenient collection cutting through the controversies and doctrinal debates two trusted dallas theological seminary professors offer a practical foundational handbook on the basics of christian theology and why it matters to everyday life from humanity and sin to the trinity to the end times svigel and holsteen show why these topics matter and how you can apply them to your life every day with a winsome tone fast paced style and everyday language each chapter of this highly readable book covers one key doctrine and features a brief overview with points of unity and diversity explanations of key scriptures foundational truths to know false teachings to avoid practical application for your faith and life whether you re a student of the bible a pastor or someone who simply wants to know god better this simple and accessible resource will not only help you to know theology but to live it
